## Havasupai'07, "Spring in the Desert"

It's time again for the annual Havasupai Rallye but this time the rallye will be a spring event due to the numerous other events that took place last fall. The 41<sup>st</sup> Havasupai and long standing Southwest Regional event will have Mercedes-Benz enthusiasts cruising the sights around parts of the southern border of Arizona starting in Tucson then heading South around the Santa Rita

Mountains towards Nogales. From there, the route wanders through spectacular desert views, some of the best wine country in Arizona and ends near the Huachuca Mountains in Sierra Vista.

Plan on spending the weekend of March 9th through 11<sup>th</sup>, with fellow Benzers from all over the Southwest, sightseeing and having fun. The fun starts late Friday afternoon just outside the Doubletree Hotel at the Javelina Cantina in Tucson for Happy Hour where participants will receive their welcome packages and socialize.

Saturday, it's time for the rallye to begin. Rallyemasters Don and Brynn Burton (perpetual second place finishers of the previous two years Havasupai) will take us on the road to experience the views of the Saguaro National Park and other spectacular sights. There will be stops along the way for lunch and landmarks. If you don't want the added stimulation of the competition, we'll give you a map and

## The "You Can't Get Lost on this Rallye," Rallye

Winners of the 2006 StarFest Rallye in Las Vegas and Rallyemeisters of numerous Havasupai Rallyes, Chuck and Ava Stanford, have joined with Rich Leamon and Yvonne Lazear, third place finishers of the 2004 & 2005 Havasupai Rallyes to put together a short and simple "fun-run" instructional rallye. This has been designed to help even the most neophyte rallye rookies prepare for the March 9 Havasupai Rallye. This Rallye, set for Saturday, January 27<sup>th</sup>, is for the novice and will be simple to navigate while teaching you some of the tricks of observation rallyes.

We will start at the Mystery Castle, 800 E Mineral Road in south Phoenix at 1:30 pm. Preceding the Rallye, there

President's Message:

Well we start the year off with good news on two fronts. First for those who want a new Mercedes, the MBCA Loyalty Program has been extended through December 2007. It is basically identical to last years program with \$1500 to \$2500 refunds on most new models. Check your **STAR** magazine or go to the national website at <http://www.mbc.org> for the details. Two important points; first the refund has nothing to do with the dealer. So negotiate your best deal with your favorite M-B salesman, but don't let him include the Loyalty refund dollars in the bargaining. That's between you, the MBUSA and the MBCA. Second, you must have been a member of the Mercedes-Benz Club of America for a full year prior to the purchase, to be eligible. So if you're a new member, with less than a year's membership, you might want to delay that purchase until after you renew your membership. \$2500 off a new Mercedes vs. \$45 for a membership renewal sounds like a pretty good deal to me.

The second bit of good news is for those members who collect older models. The EPA has finally signed off on an Arizona Law that was passed almost two years ago. It exempts collectible/vintage vehicles from emissions inspections. If your vehicle required emissions testing before, it may now be exempt, if it is covered by collectible/vintage insurance and not used as an everyday vehicle. For more information; check with our section Vice President, Bob Yoder, at 480-998-0194.

As always our **Holiday Party** was a great success. The Paradise Valley Country Club put out a sumptuous buffet, which we all enjoyed; probably too much. Our members out did themselves for a second year with donations for the

Marine Corps's **"Toys for Tots"** program with hundreds of toys and hundreds more in cash donations. Our eight honored guests from the Marine Corp Reserves had to make numerous trips back and forth to get all the toys loaded into their cars. **Great Job, Desert Stars Members!!!**

With all the car auctions in the valley this month, we usually keep the club activities at a low pace, but once they're over and you need a car fix, the Desert Stars are there for you. On January 27<sup>th</sup> we have our annual Training Rallye; a warm up for Havasupai. This year we explore the largest municipal park in the U.S. in our **"You Can't Get Lost on this Rallye"**, outing. There's more about this event starting on the front page of this issue.

We quickly follow up with our second annual **Family Picnic**. This year we expand the picnic with a *Wash and Shine* car show. So get your favorite Benz all spit and shined and gather up the kids or grandkids and join us for a fun-filled day. Again you'll find more information on the front page.

**"Spring Time in the Desert"** is the theme of the 41<sup>st</sup> Havasupai Rallye. This time we head south deep into the Sonoran Desert. We start out in Tucson and transverse the southern parts of Arizona ending in Sierra Vista and the Huachuca Mountains. We should be joined by many Southwest Regional MBCA members and hopefully many of the Chaparral members will link up with us for the weekend of March 9<sup>th</sup> - 11<sup>th</sup>, for this adventure. The front page has more details; registration is on page 7.

See you at an event soon,

timetable for the route and you can enjoy the scenery and landmarks at your own pace.

Once in Sierra Vista, we'll gather at the Windemere Hotel for another Happy Hour to wash off the road dust and brag about the adventures found along the way. Around 6:30 we'll adjourn to the Mesquite room for our awards banquet.

On Sunday, you will have your choice of touring either the Pima Air and Space Museum or the Arizona-Sonora Desert Museum. The Pima Air & Space Museum enjoys an international reputation as one of the best anywhere and features over 200 aircraft on display with five large hangars totaling 100,000 square feet of exhibit space. An original WWII barracks contains an extensive model collection, arranged chronologically, which shows virtually all US military aircraft from pre-World War I to the present. The Arizona-Sonora Desert Museum is a world-renowned zoo, natural history museum and botanical garden, all in one place. Exhibits re-create the natural landscape of the Sonoran Desert Region so realistically you find yourself eye-to-eye with mountain lions, prairie dogs, Gila monsters, and more. Within the Museum grounds, you will see more than 300 animal species and 1,200 kinds of plants. There are almost 2 miles of paths traversing 21 acres of beautiful desert.

This exciting weekend package includes all the supplies needed for the rallye, lunch and the banquet dinner on Saturday, and the entry fees to Sunday's tours. You will need to reserve the

lodging for Friday and Saturday nights yourself. Friday night's lodging will be at the Doubletree Tucson at Reid Park in Tucson. The special rate for Havasupai is \$125 per room for single occupancy and \$130 for double occupancy. These rates include a phenomenal breakfast buffet at the hotel, complementary upgrades to parlor suites based on availability and other amenities. Please inquire with the rallyemasters for higher occupancy rates. Reservations should be made by calling the Doubletree's national reservation line at (800) 222-8733 and identify yourself as being part of the Mercedes Car Club group. Saturday night's lodging will be at the Windemere Hotel & Conference Center in Sierra Vista. The special rate of \$84 for single or double occupancy includes a full American Breakfast Buffet, three Happy Hour drinks and other amenities. Reservations can be made by calling the hotel directly at (800) 825-4656 identifying yourself as being part of the Desert Stars group.

The cost for the event is \$240 per couple but, if we receive your registration by January 26th, we'll discount the price by \$20. Registration received after January 26th can only be accepted on a space available basis and you should confirm availability at the two hotels prior to submitting the registration. You'll find the registration form on page 7. If you have any questions, please call Don or Brynn Burton at (480) 832-1504 or email [secretary@desertstars.org](mailto:secretary@desertstars.org).

Special thanks to Bud, who has become our defacto photographer, and Mindy Sharp, Bob Yoder, and Rick Stacio for their photos.

## Regional Director's Report

*Editor's Note: Steve Ross is our new Regional Director. He has asked all sections in the Southwest to print his report of the Fall National Board Meetings in their newsletters. It is his intention to report to the region's membership after each national board meeting.*

This is my first report as your Regional Director. I was recently elected to this position from Judy Abrams. I know I have a hard act to follow, but I shall try my best. A brief introduction follows. My wife Michelle and I have been members of the MBCA for fifteen years. We have three Mercedes Benz automobiles, a 1987 560SL, 1987 300SDL and a 1991 300E 2.6. I have served the San Diego Section as a Board member, Newsletter Editor, President, Technical Advisor, and Activities Chair. Michelle is currently the Secretary of our section.

The National Board meeting was held in Phoenix AZ, November 9 through November 11, 2006. I am pleased to tell you that your National Board is working very hard for you and is sincerely dedicated to the best interests of the MBCA. My report will not include the budget since that will be covered in detail in the National Board minutes and printed in the Star Magazine.

The motion to consolidate the Southwest Region with the Western Region has been withdrawn but may be the subject of future action. I am confident that any action taken will be in the best interests of the MBCA and its members.

Significant agenda items and actions are as follows:

1. The primary objective of the MBCA board and its members is to maintain and increase our membership by recruiting and retaining members. The MBCA Rebate Incentive Program ends December 31, 2006. The board is working diligently with MBUSA to get this program renewed for 2007. Mercedes Benz Canada in conjunction with the MBCA has produced a DVD titled "What Is in It for Me". A copy of the DVD will be provided to each section with copies for their local dealers. This DVD provides a five minute presentation informing the dealership why it is in their best interests to support the MBCA. The DVD presentation will be followed

up by the section representative giving the dealership staff answers or amplification as required.

2. The MBCA and its Education Foundation is initiating a defensive driver training program for teens and seniors. A recent issue of Autoweek Magazine featured the urgent need to train our teens how to drive safely. Some studies claim that teen deaths are in the 20,000 range annually. The MBCA believes that this is a critical problem that must be addressed. The BMW Club, as well as other "car" groups, is also in the process of instituting programs for defensive driving.
3. The Star Magazine editor, publisher and printer gave informative presentations on what we can expect in the new Star. The major change is that the magazine will be full color and will have more pages. There will be more member and sections inputs/articles. Of course for this to happen, the members and sections must provide these articles. The publishing company has been in business since 1866 and is family owned. They print and publish several prestigious magazines including the BMW Roundel.
4. A change to the process for the Section Newsletter award was made. In the future no action is required of the newsletter editor or section. The section newsletters that are received during the year will be submitted to three independent publishers for evaluation and selection of the winners.
5. The Awards Chairperson pointed out that several of the sections are not applying for Section of the year or the Humanitarian Award. In one case a section that did not apply would have easily won over the winning section.

I am here to serve the members of the Southwest Region. If any of you have a question please do not hesitate to contact me via internet [inews@mchsi.com](mailto:inews@mchsi.com) or 619-508-3925. Mailing address, Steve Ross, 16151 Fruitvale Road, Valley Center, CA 92082

## Passarelli Restoration's Open House

Once again Mark Passarelli is holding an open house and is inviting club members. The open house will be held on Sunday, January 21<sup>st</sup>. You do not have to register. Just show up between 1:00 p.m. and 5:00 p.m.

Attendees of the last few years have seen various stages of show quality restorations on gullwings, roadsters and other Mercedes. It is well worth the trip up to Cave Creek. We want to thank Mark in advance for his generosity.

Mark's address is 41755 N. Old Stage Coach Rd., Cave Creek, AZ 85331. If you need directions, call either Dick Sharp at 480-661-1325, or Rick Stacio at 623-582-6694.

## Desert Stars Host National Fall Board Meetings

This past November, the Desert Stars hosted the Fall National Board Meetings of the MBCA.

The committee meetings started on Thursday, November 9<sup>th</sup>, followed with a dinner for the National Board that evening at the Venice Ristorante in Ahwatukee. We also opened our Hospitality Suite on Thursday with Rich Leamon acting as host.

On Friday, November 10<sup>th</sup>, the committee meetings continued. That evening we held a reception at Mercedes-Benz of Chandler sponsored by MBUSA. Desert Stars member, Phil Lutfy, provided 3 beauty vehicles from his collection, including his 1953, 300S Cabriolet, Judge's Choice at StarFest'06, to showcase among the brand new model at the dealership. It was a stunning contrast, admired by all. We presented M-B of Chandler's General Manager, Paul Forina, with a plaque in recognition for their past support of the section and for their help, putting on the reception. Our Hospitality Suite remained open under the stewardship of John Hutchison that evening.

On Saturday, November 11<sup>th</sup>, the National Board Meeting was held. It was very interesting to see the national organization at work. The **STAR** will be covering the meeting in detail and there is a separate article by Steve Ross in this issue, so I won't go into detail. On Saturday evening we had our final banquet with all the national officers and many Desert Stars members in attendance. Joan May welcomed all at the Hospitality Suite on Saturday.

Finally, I like to thank the MBCA's newest Director-At-Large, Chuck Landenberger, for all his efforts in planning and bringing this event about. It was top-notch. I received many compliments from board members and visiting members, and they should have been directed to Chuck. The Desert Stars are fortunate to have a member of such caliber.
