## Boyce Thompson Arboretum and Lunch

By Carey Hobson

Come join us on Saturday Nov 13, 2021 for a visit to the Arboretum and then lunch.

Boyce Thompson Arboretum is the largest and oldest botanical garden in the state of Arizona. It is one of the oldest botanical institutions west of the Mississippi. As you approach the Boyce Thompson Arboretum on Highway 60, you will see towering Picketpost Mountain dominating the southern horizon. The Arboretum brings together plants from the planet's many deserts and arid lands, displaying them alongside unspoiled examples of native Sonoran Desert vegetation - all within a spectacular natural setting.

Plan on arriving between 8:30 and 9:00 AM. We will have a designated parking area where we can catch up with friends and have some coffee before entering the grounds. At about 11 AM we will head downtown, 10 minutes away, to Silver King Smokehouse for lunch. There will be three choices for lunch, Pulled Pork sandwich with a side, Pulled Pork Hatch chili with Mac and Cheese and Farmers Salad with optional Turkey. Please indicate your choices on the registration form.

## MB Enthusiasts Dinner Continued

Following the voting, join us for appetizers and a no-host bar followed by dinner catered by Café Pranzo, one of the valleys premier catering companies. We will also have our usual program of speakers who will give their perspectives on the past week's auctions and current state of the classic car market. Bring your questions and join the discussion.

Join us at the event and also help us celebrate Desert Stars 60<sup>th</sup> anniversary.

See registration form on page 7 or for questions or credit card payments please call Debbie Ichiyama at 480-268-9535.

# Airpark Collision Tech Session held September 18, 2021

By Mark Ichiyama

Having to take your beloved Mercedes to a body shop can be as stressful trip. We not only want our cars to be repaired but repaired properly and with attention paid to not only the fit and finish, but more importantly, that it be “done right. On Saturday, September 18th, two dozen Desert Stars members got a “back of the shop” tour and tech session demonstration at longtime club sponsor, Airpark Collision Center, at 7333 East Butherus Drive #A-200, Scottsdale, AZ 85260. Normally closed on the weekend, the shop opened for us and demonstrated advancements in the auto body industry that make repairs more accurate and deal with vehicles that have more aluminum panels to reduce weight and improve fuel economy.

Collision damage is checked with the use of a special camera rig that photographs the car’s measurements in the shop against the factory specifications. The system is much more precise than the human eye and much quicker than manual measurements. Club members were shown dent removal tools that no longer needs to have a rivet hole drilled, and the lower temperature, compared to steel, equipment used to fix damage to aluminum body parts. While technology has made work in the shop easier than before, the demonstrations also showed how much skill, craftsmanship and experience is still needed to get the job done right. Thanks to the folks at Airpark Collision for a very informative and interesting tech session and refreshments.

# AZ Fine Time held September 18, 2021

By Carey Hobson

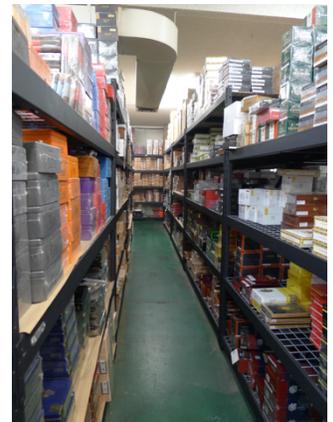

A nice afternoon was spent by the group at Arizona Fine Time/Cigar King. Our host Mitchell Hirsh took us all on a fantastic tour of his showroom and warehouse. We started with his great selection of fine time pieces ranging in prices from \$300 all the way up to \$30,000. With over 20 different brands there was a style and price range to fit anyone's needs.

We then headed over to the large Cigar room with its own built-in humididor. With over 6,400 different Cigars to choose from this seemed to be the right place for selection of your favorite smoke. We thought we had seen it all until Mitchell took us across the parking lot to his Cigar warehouse, with literally thousands of cigars on shelves waiting to be sent out across the country. We were all amazed at the inventory stored in this facility.

To end the day, we had the chance to see Mitchell's new purchase, a beautiful 1987 560SL R107 with 35,000 miles. It looked like it just came out of the showroom!

Great times at AZ Fine Time/Cigar King

## A Look in the Rearview Mirror Havasupai 2021 Flagstaff – Winslow

Event Dates: October 22-24, 2022

By Ed & Annette Crawford

The Desert Stars came together in Flagstaff, Arizona for the yearly Havasupai Rallye. This year's event returned to the traditional "destination" style rallye venue with 10 cars participating in a scenic weekend driving through Northern Arizona.

Our accommodation for the weekend was The Little America Hotel; a gem of a property nestled on 500 acres of Ponderosa pine forest at the base of the San Francisco Peaks and is Flagstaff's only AAA Four Diamond hotel. Everyone in attendance complimented the hotel for its luxurious guest rooms, food quality and outstanding customer service. On Friday evening, rallye participants came together for appetizers and reminiscing, as many had not seen each other for some time due to Covid-19.

*(Pictured Left) Saturday morning the rallye drivers and navigators participated in the all-important "driver's meeting" to discuss the day's events. Safety First!*

After the all-important driver's meeting, driver's, along with their trusty navigators, departed the hotel with rallye sheets in hand. They hit the road navigating through downtown Flagstaff on portions of historic Route 66, all the time looking for both written and picture clues. First stop was Riordan Mansion Historic State Park. Built in 1904, the mansion remains one of the finest examples of American Arts and Crafts-style Architecture. A self-guided tour provided information about the history of the property and of course clues.

Back into their Benz's, they were on their way! This time heading south on scenic Lake Mary Road. A most-relaxing drive through Lower and Upper Lake Mary and a nice looping drive around Mormon Lake. A pit stop at Happy Jack Lodge provided refreshments and, of course, more clues!

After a quick stop, everyone hit the back roads for a drive to Winslow. A quick cruise through downtown Winslow had everyone passing by the famous “*Standing on the Corner*” a landmark stop along the historic Route 66. The rallye ended at The La Posada Hotel with lunch delicious in “The Turquoise Room”. Those that chose to be competitive turned in their rallye sheets to the rallye masters.

After lunch, an afternoon tour provided a glimpse into the history of The La Posada Hotel, Fred Harvey, the famous Harvey Girls, Mary Colter, and The Santa Fe railroad.

## Sponsor Spotlight – The Focus HOA Management Story

By Harman Cadis

Harman and Susan Cadis started Focus HOA Management over 11 years ago to provide needed customer service to Homeowners that live in HOAs.

Susan had been working for a small HOA management company that treated their clients poorly and hid behind voice mail. This was not a business she wanted to be associated with and told her husband she wanted to leave, and he said, “start you own, I will help you!” They thought this would be a nice little business maybe they could do in “semi-retirement” with no goals of getting very big.

The rest as they say is history. Susan (with Harman’s help) Started Focus HOA Management January 1, 2010 and by the end of the year was managing 8 Homeowner Associations. Harman was still in the corporate world as a CIO running IT departments and built an automation base for Focus that few other HOA management companies could match. This foundation on automation allowed their HOA managers to spend time where it counts, with the Boards and Homeowners.

This customer service philosophy started by doing simple things, like answering the phone, not utilizing a phone auto-attendant and taking care of Homeowners issues on the first call, radical ideas in the HOA management world.

As the company grew, they “Focused” on the needs of the HOA, both operation and financial. Using an all-inclusive cost model made the business more efficient and saved the HOAs money. Including in their service items like:

- All late fees go to the Association not the management company.
- Community Web Site – Homeowners have access to all of their account information on-line.
- Web based system giving the Board access to real time reports and all Association files.
- No charge for internal office supplies or banking services.

They developed financial tools for the Board for operational and reserve budgeting projecting 30-year cash flows to allow them to plan the HOA’s financial health for the long term and make sure they are operating efficiently as possible.

Now 11 years later Susan’s philosophy of putting the customer first and caring about them has propelled Focus HOA Management to listed in the Phoenix Business Journal as one of the top HOA management companies in the Valley.
