MB Enthusiast Dinner

January 19, 2019

By Karen Manser

As car lovers descend on Arizona for the great car auctions of the valley, we will again celebrate the classic car auction week with the Mercedes-Benz Enthusiast Dinner. We will be sporting a new location for 2019 that hopefully will prove to be the perfect location for our celebration.

This year's event will be held on Saturday evening, January 19, at **VENUE 8600**, a contemporary event

location located five minutes from WestWorld at 8600 E Anderson Drive, Scottsdale, AZ 85255. Activities will start at 5:30 PM in the generous 200 spot parking area with the viewing and judging of the "People's Choice" contest featuring MBCA members personal cars.

Following the voting, join us for appetizers and a no-host bar followed by dinner catered by Café Pranzo, one of the valleys premier catering companies. We will also have our usual program featuring industry experts that will give their perspectives on the past week's auctions and current state of the classic car market. Bring your questions and join the discussion. See the related article and information on pages 4 and 5.

Vulture Mine Tour

February 16, 2019, 9:45 AM Check-In

By Todd Bush

Join your Desert Stars for a tour of the historic Vulture Mine Town. This guided two-hour tour is not to be missed.

Vulture Mine is a gold mine and abandoned settlement nestled into the breathtaking landscape of the Sonoran Desert in Arizona. The settlement, named Vulture City, was established in 1866, and developed to meet the needs of Arizona's most successful gold mine. The town population quickly rose to 5,000 residents. From 1863 to 1942, the mine produced 340,000

President's Message

By Debbie Ichiyama

Another year has passed and another great year for Mercedes-Benz in 2018.

Congratulations to the entire Mercedes AMG Petronas team for taking the F1 Constructors Award for the 5th consecutive year, and to Lewis Hamilton for his fifth world championship. Awesome season for all those involved. We look forward to another winning season next year.

Mercedes-AMG, as the manufacturer, secured championship titles not only in F1, but also Formula 2, European Formula 3 and the DTM. In all, a very good year for Mercedes-Benz racing teams.

A new introduction this year to the US market is the "A" Class which will be available in the US shortly. The four-door sedan features include modern and efficient engines, and state-of-the-art driving assistance systems. Check out this new car and all of the other models at a local dealer. We are lucky to have 5 dealerships to serve us: Schumacher European, Mercedes-Benz of Arrowhead, Mercedes-Benz of Chandler, Mercedes-Benz of Gilbert, and Mercedes-Benz of Scottsdale. No matter where in the Valley you live there is a great Mercedes-Benz dealership near you.

I would like to wish everyone a very Happy New Year and look forward to seeing you in 2019.

ounces of gold and 260,000 ounces of silver and has been credited with founding the town of Wickenburg.

We will learn about the mining that happened in Arizona's richest deposit, the story of how Wickenburg came to be, see an authentic 'hanging tree' and the many historical buildings that made up this mining town. This is one of the most informational tours that can be had in our beautiful state.

Wear comfortable shoes as this is a walking tour. There are numerous options for lunch in nearby Wickenburg. Todd can provide information the day of the event. Price of admission is \$15 which includes the tour and access to all of the historical buildings.

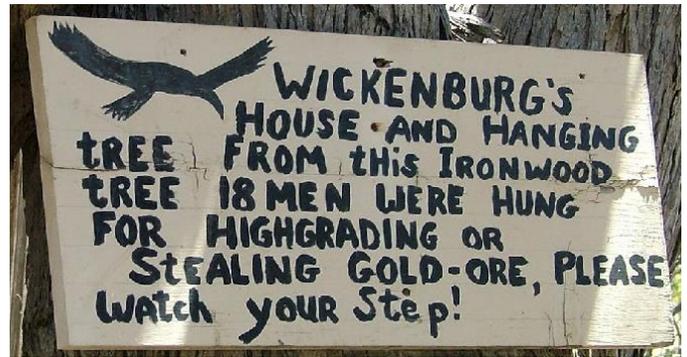

There is no need to contact Vulture Mine as Todd has made all the arrangements. Please RSVP to Todd by February 11 at glamrox92345@yahoo.com or 928-699-7050. We will meet at the site in Vulture City, at or before 9:45 AM and pay admission in person. Please allow time for the drive out. The tours do start promptly at 10 o'clock sharp!

Driving directions to Vulture City:

Address: 36610 N 355th Ave Wickenburg, AZ 85390

The entrance is 1/2 mile after mile marker 15. A map can be found [here](#).

From Highway 10 take the exit to N 339th Ave/Hassayampa Road. Follow N. 339th Ave/Hassayampa Road for 2 miles then turn left onto Indian School Road. MB of Gilbert Invite

March 2, 2019

By John Goux

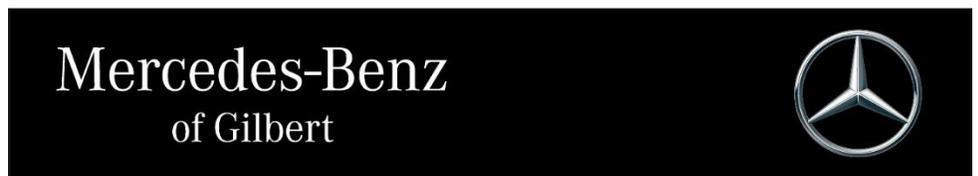

The details are being ironed out, but save Saturday, March 2 in your calendar for a visit to the still-smells-new Mercedes-Benz of Gilbert. Our friends there have invited us to come in for a club gathering including a tour and perhaps we will see something on a lift in the garage and get technical-dirty with it!

Please save the date, and keep your eyes peeled for information from our Event email for details on the specifics.

Note desertstars@desertstars.club as a "safe" email address so you don't miss out! 🗺️

Auction Time in The Valley

By Matthew Crawford

It fits that January is the month to see a top-down, million-dollar car, cruising down Scottsdale Road. That can only mean that it's Auction Season! We are on sacred auto-ground this month, and the world is watching. It's in our own backyard! Take advantage of it. You are in a car club, go see the best ones IN THE WORLD.

Your Desert Stars have always celebrated these awe-inspiring gatherings with our annual Mercedes-Benz Enthusiast Dinner (see page 1.) This dinner is a wrap-up for the auctions and a time to gather and discuss what happened, what we saw out there on the stages. It's also a good way to learn about car collecting. Leading up to our dinner, the actual auctions - and the spectacle around them - take place, and attending at least one will be an experience to talk about.

Page 5 has a list of the auctions, dates and locations. Some of these require a ticket to get in (BJ can be up to \$45 for a day pass!) Some can be enjoyed just by arriving at a venue (RM-Sotheby's has a pretty open campus at The Biltmore.) This is intended as a rough guide; please search online for details on specific auction entry times, events, and pricing.

A big benefit to you is being a MBCA Desert Stars member. Details are hashed out as we get closer to the days, but we are typically invited to register for free tours of auctions by club friend, Andy Reid.

Details on these tours are emailed via our Event emails. Keep your eyes out for anything from the desertstars@desertstars.club email address. If you have any petrol in your blood, you do not want to miss out!

Poker Run

March 23, 2019

By Harman and Susan Cadis

Get ready for some fun Poker Action! Don't worry you don't need to bet or bluff your way to the winner's circle. Just enjoy the day driving to interesting places and eating goodies along the way with your friends in Desert Stars.

We have a great event planned – Come explore secret and mysterious (high and low) places in Arizona while building your Poker Hand (high and low). The winners and losers will both enjoy a wonderful dinner and prizes at the end.

This is a great event and good time! Plan on Attending! You will not want to miss the 2019 Poker Run...Put it on your calendar NOW!

For more information contact Harman or Susan at Harman@FocusHOA.com, or call us at 480-242-8087. More detailed information will be in the March-April issue of The StarDust, and also emailed as we get closer to the date!

Auctions in The Valley

Barrett-Jackson

January 12-20, 2019
Westworld of Scottsdale
16601 North Pima Road
Scottsdale, AZ

This is the big one. You've seen it on TV. If you have not been, you are not prepared for the spectacle and scale of this event. The cars are from all over: domestic muscle to exotics from Japan & Europe. You can buy a show car or a driver here.

Gooding & Company

January 18-19, 2019
Scottsdale Fashion Square
4700 N. Scottsdale Road
Scottsdale, AZ

Like RM-Sotheby's, there are some few-of-a-kind exotics at Gooding. Not elusively, but very European, very sleek. Under a tent.

Russo and Steele

January 16-20, 2019
Salt River Fields at Talking Stick
7555 N Pima Road
Scottsdale, AZ

Founded in Scottsdale 18 years ago, they label themselves as "The best in European Sports, American Muscle, Hot Rods, and Customs." The auction is arena style with cars driven in at ground level with stadium seating. It's a fun watch.

Silver Auctions

January 11-13, 2019
Peoria Sports Complex
16101 N 83rd Ave
Peoria, AZ

Locally organized, this is not one of the big boys, but it's a hometown event and it starts off the season early.

RM Sotheby's

January 17-18, 2019
Arizona Biltmore Resort & Spa
2400 East Missouri Avenue
Phoenix, AZ

Top-end classic cars. More of a wine and cheese than a big-top people watching event, the RM Sotheby's auction carries the best of the best in collector cars. Many of them are not the kind you want to put miles on. This is not RM's largest auction, but it is influential.

Bonham's Scottsdale

January 17, 2019
The Westin Kierland Resort & Spa
6902 East Greenway Parkway
Phoenix, AZ

A British auction company, the cars are typically mid-market collector cars, many Porsches last year. This year features cars such as a rare 1952 Maserati A6G/2000 Spider, and a works Lister-Jaguar driven by Sir Sterling Moss.

Worldwide Auctioneers

January 16, 2019
6460 E McDowell Road
Scottsdale, AZ

With a 20-year history, Worldwide diverse selection of great motorcars over the years, from vintage racers to European sports cars, brass era and pre-war cars to select American muscle and 50's convertibles.

M-B.E.A.T.

April 13-14, 2019

By Bob Yoder

The 2018 running of the M-BEAT had a nice mix of people and cars participating.

Hey, hey Desert Stars!! Just to let you know that we are planning next year's M-B.E.A.T. You know, our annual Mercedes-Benz European Auto Tour - where we encourage participants to drive a Mercedes but they don't have to. Just keep it European, please. This year's run will take us to Flagstaff on Saturday and Sunday, April 13-14, 2019. It is time to put it on your calendar so that you can blow the cobwebs out of your Benz after a winter in the garage with little or no driving activity.

Our tentative plans call for us to meet at 6:30-6:45am at the Denny's Restaurant at the NE corner of Interstate 17 and Carefree Highway for breakfast on me! (*We want plates, please. – Ed.*) Then head out around 7:30-7:45am most likely on one of the back roads to Prescott through Wickenburg, Kirkland Junction and Skull Valley with lunch at the Asylum Restaurant in Jerome before continuing on through Old Town Cottonwood and Sedona to Flagstaff.

After exact route details have been set up, arrangements for lunch have been made and we have contracted for a hotel in Flagstaff to spend the night, a complete description of the run and signup sheet will be announced in the next issue of The StarDust, the Desert Stars newsletter, as well as through our email event mailings.

If you have questions or suggestions for the run, please give me, Bob, a call or text message at (480) 998-0194.

GLCUL8R! 2019 Mercedes AMG GLC 43/63/63 S

2019 Mercedes AMG GLC 63 S

There is a new Lord of The Ring, Nürburgring! The One to rule them all... AMG's GLC 63 S.

Thanksgiving morning, wife, kids still asleep, what's a guy to do? Make candied yams? Nah. If you're AMG Development Engineer, Marcus Hofbauer, drive to the Nordschleife to test your GLC 63 S latest design developments. Oh yeah, and smash the current record for fastest SUV on Earth! By two seconds - on your first try. Sorry, Stelvio Quadrifoglio, Affalterbach did what they said they wouldn't and ate your lunch.

Only one problem with that scenario, they don't celebrate Turkey Day in Germany. The rest, gobble-gobble, is absolutely true. Adding charm to Heir Hofbauer's blistering run is the fact he looks in the rearview mirror to see if traffic is sneaking up on him. Set the video to 4:01 and watch his eyes. Frau H. should be proud, he's fast and safe.

World-record transportation is what some crave for the holidays. Others like their holiday fare sans cranberry sauce. Enter the basic AMG GLC 63 – if you consider 0-60 in 3.8 seconds mashed potatoes, this may be your dish.

Yet, there's a little bruder at this Teutonic family feast. Harness 362 Rhenish Coldbloods with 384 lb-ft of windmuhle torque, 0-60 goes by faster than green jello - 4.7 seconds to get over the river and through the woods. Athletic profile, Mercedes iconic Bi-Turbo badge, whisking passengers in luxe cabin, Sport+ sounds like Snap, Crackle and Pop took up residence at the tailpipes, starting price \$56,250, I'd suggest the end of the table is where the family member is you want to spend time with.

Pass the GLC 43 a drumstick!

In the Mirror: Holiday Party

Held December 2, 2018

By Debbie Ichiyama

We had an awesome turnout for this year's Holiday Party and want to thank all who attended. It was good to meet new members and catch up with everyone.

The new venue this year, McCormick Ranch Golf Club was a hit. After a delicious meal, we proceeded with our tradition of recognizing our member anniversaries. Resident Emcee, Chuck Stanford, presented the anniversary recognition pins to the recipients who were in attendance. This year's recipients were Larry & Catherine Bryson 5 years, Kettisha Colon-Villareal 5 years, Michael & Ruth Mc Bride 5 years, Robert Mosley 10 years, Stuart Thorn 10 years, Robert St. John & Melanie Searle 15 years, Jim & Barb Boyle 20 years and Steve Jensen & Karen Manser 20 years. Congratulations to all.

This year's Member of the Year Award went to Karen Manser in appreciation for all her hard work and dedication to the club. All her hard work helps make the club the success it is.

Thanks to all who brought toys for the 2018 Toy Drive, which were delivered to the Scottsdale Fire Department. Once again, the firemen were impressed by all toys collected and they expressed their gratitude for all the club's efforts.

Our other fund raiser was a 50/50 raffle to benefit Ronald McDonald House. Don & Brynn Burton won the raffle and Ronald McDonald House was very thankful for the donation. Thanks to all who brought toys and raffle tickets. It is really an honor to be associated with a giving and caring group of people.

I would also like to thank the staff at the McCormick Ranch Golf Club. They did a great job.

In the Mirror: Tech Session

Held November 10, 2018

By Bud Cloninger

There was electricity in the air as members gathered at M. B. Motors for our annual technical session. This year's subject was about electric and hybrid powered vehicles. On display for members to inspect and investigate were two all-electric Tesla Model S's and a Toyota Prius hybrid.

The session started out with the history of the electric car from the late 1800's all the way though to their demise in the 1920's. We fast forwarded to the 70's gas shortage and to the re-invention of hybrids and the electric car.

Owners of the cars on display talked about their owner experience with the electric and hybrid cars. They also answered other members' questions about them as well as demonstrated some of the unique features of their cars technology. After a wonderful BBQ lunch, members tinkered with the Tesla's on board displays and the Prius gasoline-hybrid engine.

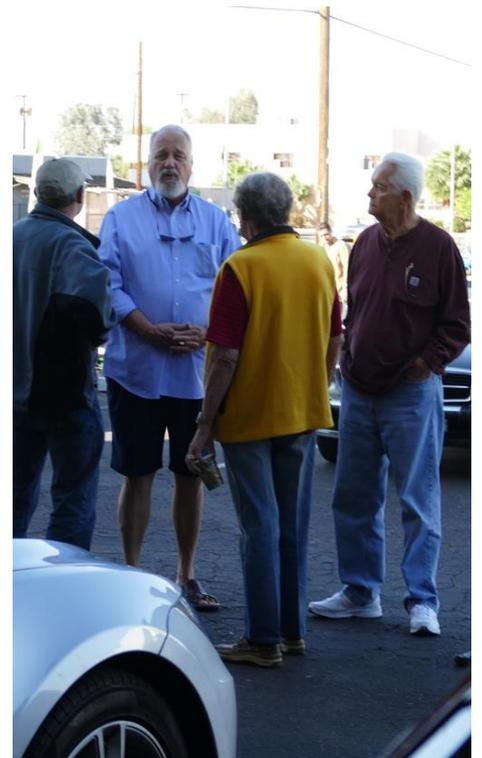

Below: Members spent time learning from the session as well as talking with each other.
